

**It's snowing!
Is Christ Presbyterian Church closed?
(Inclement Weather Policy):**

CPC takes into consideration the safety of our congregation and staff when deciding to be open or closed during inclement weather. Depending on your individual circumstances, we encourage you to make the decision to attend services/events based on what is best for you and your family.

CPC will make the decision to close by 6:00am. The decision is then posted immediately on our website: www.cpcmaddison.org. We will also change the message on the church phone (257-4845).

If the website or phone message do not say we are closed...then we are open.

When CPC decides to close for the day, or a partial day, it means that all ministry activities are cancelled for that day. If the activity is being held offsite, the activity leader will make the decision whether to cancel. In this case, contact the activity leader, not CPC.
